

# EOMS INDUSTRIAL SOLUTIONS LLP

( ESTD 2026 )

*Reliable Industrial Solutions for Sustainable Performance*

## ABOUT US

EOMS Industrial Solutions LLP is a start-up industrial solutions company established in April 2026 with a commitment to delivering reliable and professional services to the industrial sector.

### We specialize in

- Operation & Maintenance (O&M) Services.
- Supply of Industrial Spares.
- Revamping & Modernization Works.
- Industrial Training (NDT & Welding).
- Third-Party Inspection Services.
- Fabrication , Erection , Equipment Erection & Commissioning.

# OUR OBJECTIVE

Our objective is to support industries with high-quality technical services that improve operational efficiency, equipment reliability, and plant performance.

With a strong focus on safety, quality, professionalism, transparency, and customer satisfaction, we aim to become a trusted partner for industries such as Power, Steel, Cement, Mining, and other Process Industries.

# OUR SERVICES

## Operation & Maintenance (O&M) Services.

We provide reliable Operation & Maintenance support services for:

Coal Handling Plants (CHP)

Ash Handling Plants (AHP)

Material Handling Systems,

Utility & Auxiliary Systems,

Our Services Include:

- ✓ Preventive Maintenance.
- ✓ Breakdown Maintenance.
- ✓ Shutdown Maintenance.
- ✓ Skilled Manpower Support.
- ✓ Erection & Commissioning.
- ✓ Plant Reliability Improvement.

# SUPPLY OF INDUSTRIAL SPARES

**We supply quality spares and consumables for:**

- Coal Handling Systems
- Ash Handling Systems
- Conveyors & Material Handling Equipment
- Crushers, Feeders & Screens
- Pumps, Valves & Rotary Equipment

**Key Advantages:**

- ✓ Quality Assured Products
- ✓ Competitive Pricing
- ✓ Timely Delivery
- ✓ Technical Support

## CHP Spares

**Conveyor Pulleys**

**Bucket**

**WT Side Beam**

**Clamp Arm**

## CHP Spares

Conveyor Idler

Bucket Wheel Structure

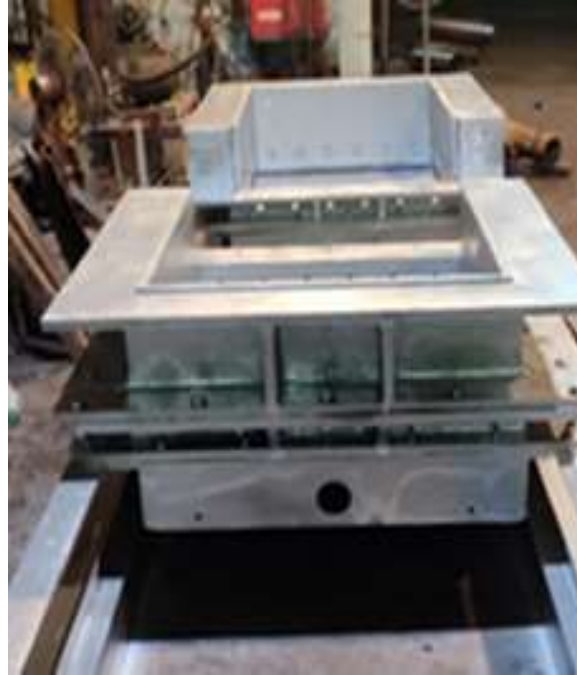

Hammer

## AHP Spares

AHP valve & accessories including spares.

Feed Gate

Jet Pump Nozzle

Branch Isolation Valve

## AHP Spares

**Rotary ash conditioner**

**Ash Intake Valve**

**Rolls For Ash Crusher**

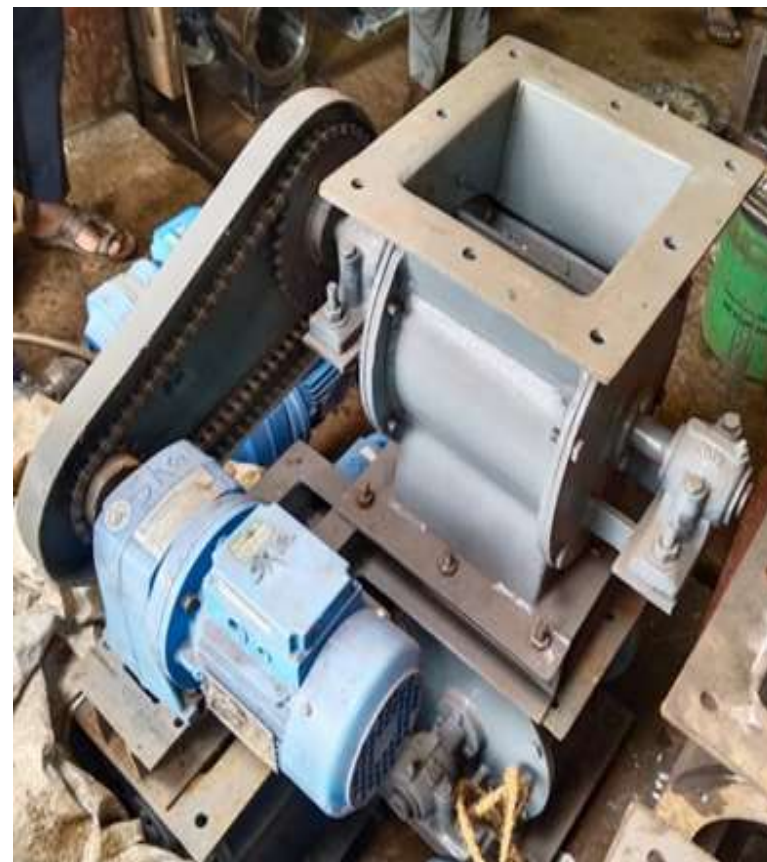

## AHP Spares

**Flushing Apparatus**

**Cam Support**

**Rotary Feeder**

## Equipment Health Assessment

### Our technical team provides:

- Equipment Inspection
- Performance Evaluation
- Condition Monitoring
- Failure Analysis
- Predictive Maintenance Recommendations

### Benefits:

- ✓ Reduced Downtime
- ✓ Improved Equipment Reliability
- ✓ Better Maintenance Planning

## Revamping & Modernization Works

- Plant Upgradation
- Capacity Enhancement
- Equipment Modification
- Structural Improvements
- System Modernization

## Industrial Training Services

We conduct practical and industry-oriented training programs for:

Plant Operation Teams  
Maintenance Personnel  
Safety Awareness  
Equipment Handling

### Training Features:

- ✓ Practical Sessions
- ✓ Experienced Trainers
- ✓ Customized Modules

## Third-Party Inspection Services

We provide independent inspection services including:

- Quality Assurance
- Pre-Dispatch Inspection
- Site Inspection
- Equipment Verification
- Technical Compliance Assessment

## Industries We Serve

- Power Plants
- Steel Plants
- Cement Industries
- Mining Industries
- Material Handling Industries
- Process Industries

## **Fabrication , Erection , Equipment Erection & Commissioning.**

### **Fabrication**

Precision fabrication of industrial structures, piping, and equipment components with assured quality and timely delivery.

### **Equipment Erection**

Professional installation and alignment of mechanical equipment for safe and reliable operation.

### **Erection & Commissioning**

Complete erection, testing, and commissioning services to ensure smooth project start-up and performance.

## WHY CHOOSE US?

### ✓ Experienced Technical Team

Strong industry experience with practical and solution-oriented approach.

### ✓ Customer-Centric Services

Customized industrial solutions based on client requirements.

### ✓ Safety & Quality Focus

Committed to safe working practices and quality execution.

### ✓ Timely Execution

Efficient planning and project management for on-time delivery.

### ✓ Long-Term Partnership

Focused on trust, transparency, and continuous improvement.

## OUR VISION

To become India's most trusted field-based industrial solutions partner — known for technical integrity, rapid response, and measurable plant performance improvement.

## OUR MISSION

- To deliver reliable, efficient, and cost-effective industrial services to Power, Steel, Cement, and Mining sectors across India — ensuring maximum plant uptime and operational excellence.
